

Pleasants County Transportation Consent Form**

For the safety of the Pre-K, Kindergarten, First, Second and Third grade students, the Pleasants County Transportation Department bus drivers will not release any Pre-K-Third grade student at their designated bus stop or and assigned alternate bus stop without a parent, guardian or established responsible adult visibly present to meet the child and take responsibility for the child's safe departure from the bus stop area. A Kindergarten-Third grade student will not be released to an older sibling unless that sibling is 14 years old or older and has been designated by the parent or guardian on the Transportation Consent form. Pre-K students cannot be released to a sibling unless the sibling is an adult. Once released to the care of any properly designated adult or individual, any student released at his or her designated stop is the responsibility of the parent or guardian.

In cases where the parent, guardian or established responsible adult is not visibly present at the bus stop, the school will be notified and the child will be returned to the school that they attend. When the child is returned to the school, the school administrator will make contact with the parent, guardian or established responsible adult and make arrangements to have the child picked up at the school.

If the above situation occurs on multiple occasions, a conference will be held with the parents or guardians and school personnel to determine a resolution.
